WORK EXPERIENCE

Pizza Cook & Grill Chef - Trogir – Restaurant “Stari Most”

May 1, 2025 – August 15, 2025

Cook – Restaurant Nuewirt, Rauris, Austria

July 2023 – January 2025

- Currently employed as a cook in a busy alpine restaurant, responsible for preparing traditional Austrian dishes, managing kitchen operations during peak tourist seasons, and supporting menu adaptations for seasonal ingredients.

Pizza Chef / Cook – Stadl Café, Rauris, Austria

January 2023 – June 2023

- Worked as both pizza chef and line cook, handling dough preparation, oven operation, and daily mise en place. Gained valuable experience in fast-paced service and teamwork in a multicultural kitchen.

Tire Assembly Technician – Audi Zentrum, Neckarsulm, Germany

January 2020 – June 2020

- Performed tire mounting and balancing for high-end vehicles. Ensured precision and safety standards in a high-volume automotive service center.

Medical Production Technician – Xenios Klinik, Heilbronn, Germany

June 2019 – December 2019

- Engaged in the production of medical devices and components. Focused on quality control, sterile handling, and adherence to technical specifications.

Production Worker – Steinhall, Neuhaus am Rennweg, Germany

June 2017 – April 2019

- Worked in general manufacturing, operating machinery and assisting in packaging and logistics. Developed discipline and attention to detail in industrial settings.

Transport Driver – Tampex d.o.o., Zagreb, Croatia

February 2022 – December 2022

- Handled local deliveries and logistics using B-category vehicles. Maintained punctuality and customer service standards.

Waiter – Kralj Salate d.o.o., Zagreb, Croatia

May 2021 – December 2021

- Served guests in a health-focused restaurant, managing orders, table service, and guest satisfaction.

Cook – Restaurant Fran, Novi Vinodolski, Croatia

March 2016 – October 2016

- Prepared à la carte meals in a coastal restaurant, specializing in grilled dishes and seafood.

Wood Technician – Hrvatske Šume d.o.o., Croatia

March 2014 – April 2015

- Worked in forestry operations, handling wood processing and machinery.

EDUCATION & CERTIFICATIONS

- Electrotechnician Diploma – Secondary vocational education
- Computer Course – Windows operating system
- Medical Technician Training – Completed specialized course

SKILLS

- Professional Cooking Techniques – Skilled in preparing à la carte dishes, traditional Austrian and Croatian cuisine, and pizza-making in high-pressure environments.
- Kitchen Organization & Hygiene – Familiar with HACCP standards, maintaining cleanliness, and organizing workstations for efficient service.
- Multitasking Under Pressure – Able to manage multiple orders simultaneously during peak hours while maintaining quality and speed.
- Team Collaboration – Experienced in working with multicultural kitchen teams, supporting smooth communication and task coordination.
- Knife Skills & Food Preparation – Proficient in vegetable cutting, meat portioning, and mise en place for daily service.
- Grilling & Oven Operation – Confident in handling grills, pizza ovens, and other heat-based cooking equipment.
- Adaptability to Seasonal Menus – Quick to learn and implement new recipes and seasonal changes in menu offerings.
- Basic Inventory Handling – Assisting with stock rotation, ingredient tracking, and supplier coordination.
- Customer-Oriented Service – Background in front-of-house roles, understanding guest expectations and food presentation.
- Technical & Mechanical Aptitude – Certified to operate diesel/petrol machinery; experience in production and mechanical assembly.

LANGUAGE SKILLS

- English – C1 level - very good (spoken and written)
- German – B2 level (spoken and written)
